SANITARY WARE

A dream trip

COMPANY INTRODUCTION

Welcome to STREAM. We are Hangzhou Boray Import & Export Co., Ltd., the principal owner of a state-of-the-art bathroom products manufacturing facility. Our factory specializes in the professional production of premium bathroom fixtures, including shower enclosures, shower cabins, bathtubs, shower trays and so on.

Our factory have our own workshops for aluminum, oxidation, white profile and make acrylic and ABS. Its products are designed to world sanitary ware with beautiful and modern patterns and novel and practical styles. They are the best choice for modern restaurants, hotels, luxury residencies and common families.

Our best service for your best choice.

FACTORY EQUIPMENT

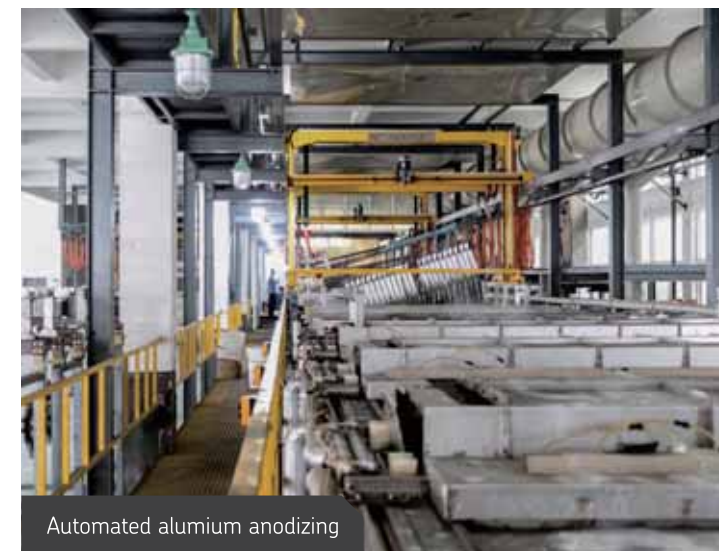

Automatic hole drilling

Aluminium extrusion

Aluminium extrusion

Automated aluminium anodizing

Automated aluminium anodizing

Creating products of constantly high quality that exceed our customers' expectations and perform over years of intensive use requires modern production facilities. All STREAM products are produced utilizing latest production routines and machinery. Extensive investments into production facilities, quality testing and employee training have created a solid basis for our business. Foresighted planning means that STREAM is for future challenges and increasing demand.

Each of the two major component groups: aluminum profiles and acrylic & ABS sheet are being manufactured on their own purpose built manufacturing facilities. After being carefully inspected, high quality tempered glass, numerous styles of aluminium profiles in a range of different finishes and durable hardware come together in the packing and delivery area.
